**To Whom It May Concern:**

**Andrew Leong Jun He Internship with Fluke / Tektronix S.E.A Pte Ltd**

Andrew Leong Jun He from ITE Higher Nitec in Electronics Engineering was having his internship with us from 12<sup>th</sup> Apr to 18<sup>th</sup> Jun 2021. During his internship, Andrew had shown as great learner and help to Service and Calibration Department.

He could accomplish all the tasks assigned to him on time and does it well. From calibration, to repair and performance test, to documentation and finally in packing of instruments, he completed the job well. He also demonstrated as quality employee who could work in the fast pace environment. Andrew has shown the abilities to cope up and manage the heavy load well.

With Andrew's positive learning attitude and good human relationship, he will be a great contributor to any organization.

Keep up the good Andrew. Continue to acquire new skill and knowledge to improve yourself.

Sincerely,  
Eang Lian Siang  
Service Engineer
